

Appraisal Resources

Assigning a value to a collection or donation is the responsibility of the donor. For donations with a value in excess of \$5000.00 the IRS requires you to enlist the help of a qualified appraiser in making that value determination. (You should also consult with an attorney or accountant to obtain information regarding charitable contribution deductions.) Your local Yellow Pages lists the names of many appraisers by specialty, and the following professional organization may also assist you in obtaining a qualified appraiser:

The American Society of Appraisers
380 SE Spokane, Suite 100
Portland, OR 97202
503-281-6188

You can also check the web at: www.appraisers.com

This information is provided as an additional resource to assist you in finding an appraiser. It does not constitute a recommendation by the Columbia River Maritime Museum for any particular appraiser. CRMM will not be held responsible for the services provided by anyone on this list, nor will CRMM be held responsible for any omissions from the list.
